

## 2015 Roundtable Topic: The Well-balanced Butterfly Garden

We welcome Executive Director, Marianna Wright and Grounds Manager, Max Munoz from the National Butterfly Center in Mission, Texas. They will be speaking specifically about Central Texas Butterflies, both resident and migrants. They will be offering information on how best to provide for butterflies year round with nectar and host plants. They will also discuss colorful butterfly garden designs to attract pollinators to your yard.

On Thursday, April 16th at 6:30pm at

Westcave Preserve

24814 Hamilton Pool Rd.
