Some of the finest land stewards
are in the Texas Hill Country region,
taking daily responsibility for the protection
of this beautiful place.

We face one of the most destructive threats
this region has ever known.
No matter what happens,
we're all in this together
leaving our legacy ...to the future.

McCamey D to Kendall - PUC Docket 38354 CVA Landowner Intervention Package

Now is the time to intervene at the Public Utility Commission. WARNING: The 'preferred' or any of the 75 possible routes may become an approved route. Learn how to appoint Clear View Alliance, Inc (CVA) to be your authorized representative at the PUC hearings. You and your property will be formally shown as an intervenor on the maps provided to the PUC.

Neighbors of the Hill Country region can stand united with CVA. The benefits:

- ✓ *gain strength in numbers*
- ✓ *save individual time and money*
- ✓ *protect our common interests with specialized attorneys*

Join the Alliance today if you agree with these common goals:

- ✓ *routing only along compatible rights-of-way*
- ✓ *using only monopole structures*
- ✓ *narrower easements*
- ✓ *protecting scenic undeveloped lands*
- ✓ *conserving wildlife and native habitat*
- ✓ *preserving cultural heritage and community values*

A line is being drawn. With your commitment, CVA will become an army of landowners creating a strong unified force to resist the destructive impacts.
