

Pedernales Watershed Landowner Workshops

For Landowners and Land Decision Makers

Saturday - May 5th, 2012 9:30-2:30 at Westcave Preserve

& Saturday - May 12th, 2012 9:30-2:30 at LBJ State Park

Learn from various TPWD biologists and retired NRCS biologist, Steve Nelle, how proper watershed management practices can improve riparian function, enhance wildlife habitat, and sustain water on your land.

Plan to attend one of these free* one day workshops, which are formatted for a morning classroom session & an afternoon session in the field.

These workshops are sure to change the way you look at rivers and watershed management forever!

**Pack a lunch for a picnic at the waters edge, or we will provide a box lunch for a \$10/person donation.*

**Please RSVP your attendance and whether you need a box lunch
by April 30 to shannon@hillcountryalliance.org
or call 512/263-9147**
