Map attached

Bring your friends to hear the TWA message!

TWA works tirelessly to promote the interests of its members through three programs:

Conservation Legacy
Hunting Heritage
Issues and Advocacy

The Texas Wildlife Association (TWA) is a statewide 501(c)(4) non-profit membership organization that serves as an advocate for wildlife and natural resource conservation in educational, scientific, regulatory and legislative arenas. As a voice for Texas conservationists, TWA focuses its mission on natural resource stewardship, issues relating to private property, hunting and hunter rights, and conservation education. TWA is absolutely dedicated to educating all persons, especially the youth of Texas about the conservation, management and enhancement of wildlife and wildlife habitat through three main program areas: Conservation Legacy (youth and adult education), Hunting Heritage (Texas Youth Hunting Program and Texas Big Game Awards), and Issues and Advocacy. *Learn more at www.texas-wildlife.org.*

If you cannot attend but would like to join TWA, a membership application is attached.

RSVP to Kendra Roller at kroller@texas-wildlife.org or (800) 839-9453 by August 27th.
