

# The Interfaith Environmental Network of Austin

**Invites You to Attend our Monthly Symposium**

7:00 pm Tuesday, September 4, 2012

at [Congregation Beth Israel](#)

3901 Shoal Creek Boulevard in Central Austin

This month's symposium:

## "The State of Texas Water"

Join one of Texas' most outstanding water experts and conservationists -- Professor **Andrew Sansom**, founder of the Texas Parks and Wildlife Foundation, former exec. dir. at the Texas Parks and Wildlife Department and the Texas Nature Conservancy, current exec. dir. at the River Systems Institute, noted ecological author, and active member of Central Presbyterian Church, for a talk and open Q&A about ways faithful Texans can better care for Texas rivers and water resources.

[Learn more via our website.](#)

**When:** Tue, 9/4/12, 7pm to 8:30pm

**Where:** Congregation Beth Israel

3901 Shoal Creek Boulevard, 78756

[\(512\) 454-6806](#)

Free parking

The **Interfaith Environmental Network** welcomes adults in Central Texas interested in linking religious values with caring for creation.
