Please join The Nature Conservancy for a **Landowner Watershed Workshop** on the riparian zones of the Pedernales and Blanco Rivers.

Pedernales River—Tuesday, October 25, 2011 (9am to 4pm)

Cypress Creek of the Blanco River —Wednesday, October 26, 2011 (9am to 4pm)

Itinerary: Morning discussions, Lunch to be provided, Afternoon field trip to the river

A Partnership With: Natural Resources Conservation Service, Texas Parks and Wildlife Department, Texas AgriLife Extension Service and Wimberley Valley Watershed Association

Morning Discussions Include:

- How and Why do rivers change over time?
- How do floods and droughts keep rivers healthy?
- How does range management affect the river?
- How does riparian function sustain water and wildlife habitat?
- Aquatic habitat and species of interest
- Watershed conservation

For more information (including exact location)
Please RSVP to Rachael Ranft at rranft@tnc.org
or (512) 968-6800 by October 21st.
