

# HILL COUNTRY Science Mill

You're invited to a sneak peek inside  
the Hill Country Science Mill  
Lights Spectacular Store.

Friday, November 23rd from 4:30 -6 pm

The store will offer a large selection of award winning, specialty science kits and toys for all ages. In addition, you will have a glimpse into the Mill's future. We invite you to learn more about the Hill Country Science Mill's mission, architectural design, and meet the visionaries behind the concept.

Please join us for this special evening of fun, discovery and learn how to become part of this exciting journey.

The Science Mill store will remain open  
on weekends thru December 23rd  
from 6-9pm Friday, Saturday and Sunday.
