Public Informational Meeting for the Burnet County Transportation Plan

Burnet County is one of the fastest growing counties in Central Texas. The 2005 population was estimated to be 41,553. By 2035, the population of Burnet County is expected to grow to almost 94,400. An increase of over 50,000 more people in the County means our transportation needs will increase as well.

Help shape the future of our area! Burnet County, with the assistance of the Texas Department of Transportation, the Capital Area Council of Governments, and the Texas Transportation Institute, is creating the Burnet County Comprehensive Transportation Plan for our region to guide transportation planning through the year 2035. **Please join us for a Public Informational Meeting to learn more about the planning process and what the transportation conditions are today.**

You're Invited!

Thursday, May 14, 2009

6:00 p.m. with a brief presentation at 6:30 p.m.

**Marble Falls Pavilion
