

# The Texas Landscape Project: *Nature and People*

*David Todd & Jonathan Ogren*

*Foreword by Andrew Sansom*  
TEXAS A&M UNIVERSITY PRESS COLLEGE STATION

The Texas Landscape Project

*When we try to pick out anything by itself, we find it **Hitched** to everything else in the Universe.*

—John Muir, 1911

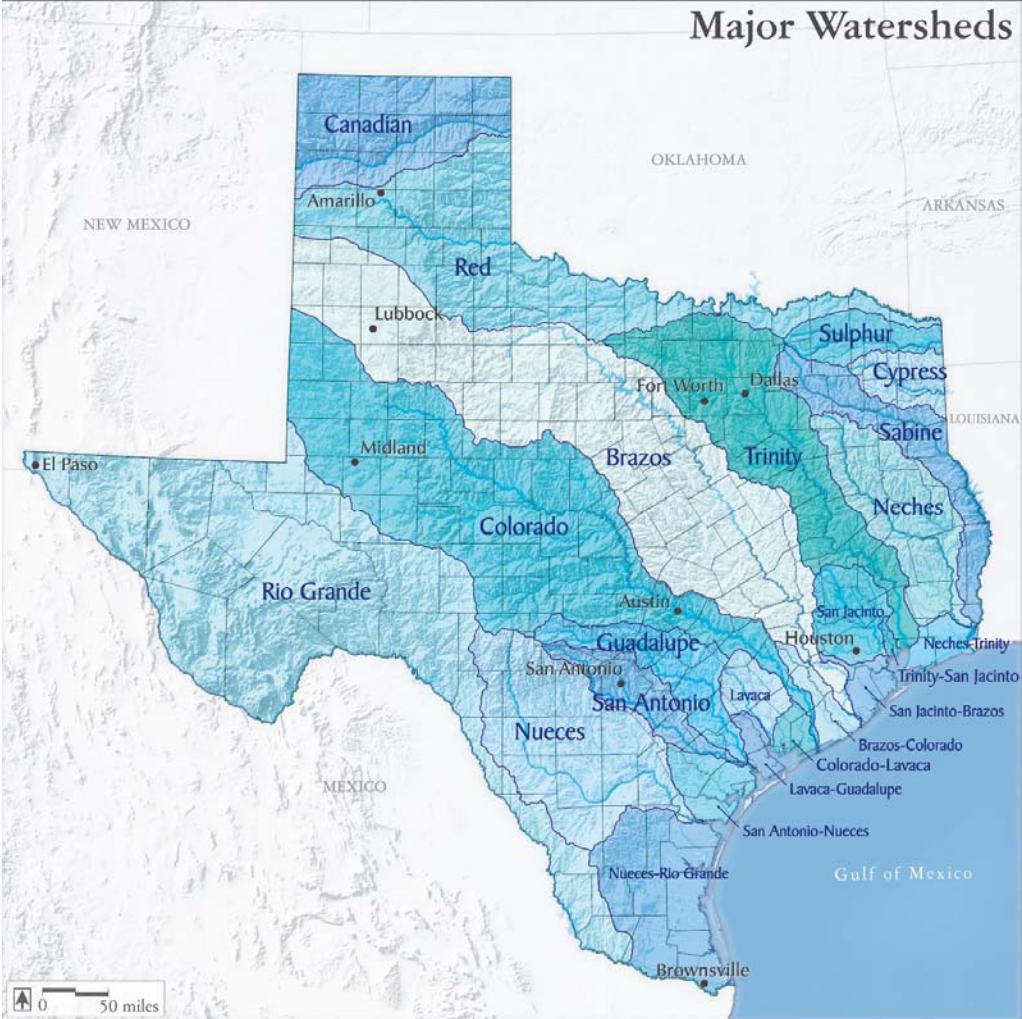

*40 environmental stories  
300 maps  
100 photos & graphs*

*Visual storytelling about places, people,  
and environmental phenomena.*
