

# RIPARIAN STEWARDSHIP WORKSHOP - MAY 16

## Healthy Creeks Initiative Landowner Workshop

**FRIDAY, MAY 16TH**

Learn how to manage invasive plants and support the long-term health of your creek or river at this free landowner workshop hosted by the Hill Country Alliance and Texas Parks and Wildlife Department.

- Meet fellow landowners working to control invasive **Arundo donax** (Giant Reed).
- Discover how to become involved in the Healthy Creeks Initiative and **restore your land's natural function and health**.
- Join us for an optional creek walk afterwards to **practice identifying plants and observe healthy riparian functions** in action.
