Donation Terms

Unrestricted use of funds. Unless HCA expressly agrees in writing to accept a restricted gift subject to specific use limitations, all donations are considered unrestricted and may be used at HCA's discretion to further our charitable mission. This includes funding HCA programs and operations, sponsorships and grants to mission-aligned partner organizations, and other initiatives that support our purposes.

Donor preferences and recommendations. HCA may, at its discretion, accept donor suggestions or preferences regarding the use of funds; however, such suggestions are nonbinding. Where HCA accepts a restricted gift, we will endeavor in good faith to honor the restriction. If we cannot comply with a restriction, we will contact the donor to discuss alternatives; if resolution is not possible, HCA may return the donation or use the funds in a manner consistent with applicable law.

Acknowledgments and communications. HCA may acknowledge donations publicly (for example, donor rolls or impact reports). If you prefer to give anonymously or not be listed, or if you wish to opt out of certain acknowledgments or communications, please indicate your preference at the time of donation or contact us at **info@hillcountryalliance.org**.

Receipts and tax. HCA will provide donation acknowledgments/receipts that include required information for your records. Donors should consult their tax advisors regarding the tax treatment of contributions. No goods or services are provided in exchange for donations unless expressly stated in the receipt.

Refunds. Donations are generally nonrefundable. If you believe a donation was made in error or without authorization, please contact us promptly at [donations email address] so we can investigate and, where appropriate, issue a correction or refund.

Third-party processors. Online donations are processed by third-party payment processors. Your use of those services is subject to their terms and privacy policies. HCA does not receive or store full payment card numbers or CVV codes.
