LEADING IN THE RURAL HILL COUNTRY SPROUTING HOMEGROWN OPPORTUNITIES

Want to learn how rural communities can revive local economies and develop new business opportunities? Spend the day in Sabinal exploring ways to engage vacant real estate, draw in community-centered investors, and prepare a well-qualified workforce. In addition to interactive panels, this event will feature a keynote presentation and discussion led by Monte Anderson of Neighborhood Evolution.

Get inspired as we learn what works, what doesn't, and what you can bring back to your own community!
